About EVERSTAR

Ningbo Everstar Lighting Co.,Ltd is a professional lighting exporter in China, with a wide range of LED products, such as led spotlight , led bulb , led tube ,led ceiling lamp ,led floodlight , as well as other light parts. Everstar offer more than 100 various kinds of products and new inventions created every year. We want our customers to get an updated lighting experience on time.

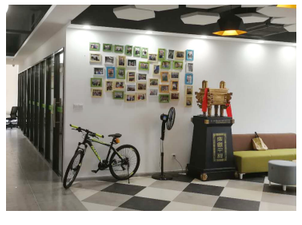

There are about 150 employees, 12pcs advanced production lines, test equipment, professional technician and innovative R&D team. All the goods are with European standard . What' s more , all the products are with 2 years guarantee.

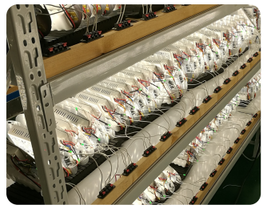

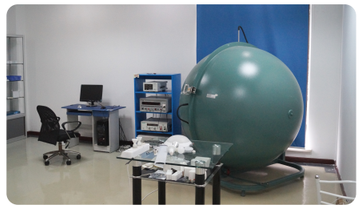

Everstar will always aim at bringing you the newest and best quality products at the most favorable prices,together with the satisfying sales service. Although the company revenue rapidly increases, we still strive to offer the best possible service to all of our clients, remembering it was our Customers who gave us the success in the first place! As a result of our high quality products and outstanding customer services, we have gained a global sales network reaching the Romania, Hungary, Italy, United kingdom , spain ,france, Uruguay, Argentina, other countries and regions around the world.

Honesty and credit are our supreme running concept .We warmly welcome home and abroad customers to negotiate the business, and establish long-term friendly cooperation relationship with you.

Try to contact us, we are sure you will find more fortune and more happiness with us!

QC Team:

A QC team with more than 20 professional and technical personal to ensure 100% products checking

Material: Strictly control of material using, meet international requested standards.

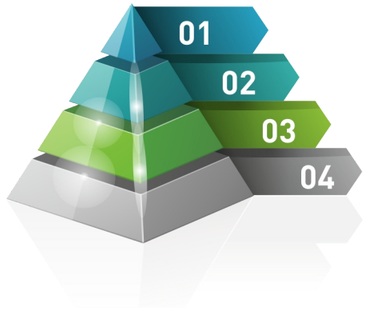

Semi-Finished products inspection: Products inspection before 100% finished.

Production line test: With work team or data engineer who inspect machines and lines at fixed period.

Finished Product Inspection: Quality and property test before products are packed and loaded.

Our Advantage:

1. Quality and delivery time guarantee
2. Strictly QC team
3. Professional R&D team
4. Professional OEM and ODM

Certificate:
